Payloads JSON (copiar e colar)

TSTS Sniper (linha rosa x azul)

```
{
  "action": "{{strategy.order.action}}",
  "timeframe": "{{interval}}",
  "rsi": {{plot["RSI"]}},
  "rsi_ma": {{plot["RSI_MA"]}},
  "entry": {{close}}
}
```

RSI cruza pra cima

```
{
  "direction": "up",
  "timeframe": "{{interval}}",
  "rsi": {{plot["RSI"]}},
  "rsi_ma": {{plot["RSI_MA"]}}
}
```

RSI cruza pra baixo

```
{
  "direction": "down",
  "timeframe": "{{interval}}",
  "rsi": {{plot["RSI"]}},
  "rsi_ma": {{plot["RSI_MA"]}}
}
```

Configuração obrigatória em TODOS os alertas

-  **Trigger:** Once Per Bar Close
-  **Webhook URL:** marcar e preencher
-  **Message:** colar o JSON correto

Total de alertas

- **10 moedas × 3 timeframes (1m, 5m, 15m) × 3 alertas por TF (1 TSTS + 2 RSI) = 60 alertas**

Ou, simplificando:

- **6 alertas por moeda** (3 TFs × 2 tipos, sendo o RSI dividido em UP/DOWN)

Como nomear os alertas (sugestão)

Padrão:

```
[SNIPER] <MOEDA> <TF> - <TIPO>
```

Exemplos:

```
[SNIPER] BTC 1m - TSTS
[SNIPER] BTC 1m - RSI UP
[SNIPER] BTC 1m - RSI DOWN
[SNIPER] BTC 5m - TSTS
[SNIPER] BTC 5m - RSI UP
[SNIPER] BTC 5m - RSI DOWN
[SNIPER] BTC 15m - TSTS
[SNIPER] BTC 15m - RSI UP
[SNIPER] BTC 15m - RSI DOWN
```

(Repita para as 10 moedas)

Teste rápido

Após criar alguns alertas, acesse:

```
https://web-production-77454.up.railway.app/diag
```

Procure por:

- `total_webhooks_recebidos` → deve estar aumentando
- `ultimos_eventos` → deve listar os webhooks recebidos
- `contadores` → `sinais_tsts` e `rsi_cross` devem subir

Se estiver tudo zero após 10-15 minutos, **revise a configuração dos alertas**.

Checklist rápido por alerta

- ☐ Gráfico correto (moeda + TF)?
- ☐ Indicador correto (TSTS Sniper ou RSI)?
- ☐ Condição correta (cruzamento rosa x azul, RSI up/down)?
- ☐ **Once Per Bar Close** ☒?
- ☐ Webhook URL correto (`/webhook/<MOEDA>` ou `/rsi/<MOEDA>`)?
- ☐ Payload JSON correto (copiar/colar do template)?
- ☐ Nome do alerta identificável?

Dica: configure **uma moeda completa** (6 alertas) primeiro, teste, e depois replique para as outras 9 moedas.
